Sally,

Gary Worthman asked me to forward this to you to see if you have someone on staff who can take a look at this response to questions from the House T&I committee regarding the West Lake Landfill legislation, which would transfer the lead agency role from EPA to USACE under FUSRAP. Cyndy Mackey has asked for any concerns we have about these comments.

FYI, text in the attached is from the Corps, to be provided to House T&I Committee that is considering the bill that would transfer Westlake site to FUSRAP.
